Welcome to English Online

How does it work?

You need to complete all three parts to get the most out of English Online.

After-class speaking session

Stay back after class for 5 or 10 minutes to talk to your classmates from around the world.

This extra speaking practice will help you...

- improve your conversation skills
- practise using language learnt in class
- support and help your fellow students
- practise using English in a natural context
- become a part of a global learning community

Have you done your Prepare and Practise activities?

What do you remember?

Lesson objectives

In this **live** part of the lesson, you will practise debating an issue related to technology in the context of a tutorial. You will prepare and take part in an academic tutorial as your task.

You will also review vocabulary related to research and discussion or technology that you learned **before** the lesson.

Lead-in

Decide if you agree or disagree with the following statements. Discuss them with a partner.

- 1. Technology is changing the world for the better.**
- 2. Mobile phones will soon become implanted technology.**
3. Technological advancements, such as cloning, are unethical.
4. I couldn't survive a week without my smartphone.
5. Technological advancement has its limits.

Language focus 1

Put the words in categories of your choice based on their meaning.

The screenshot shows a digital workspace titled "Talk about IT_vocabulary". At the top, there are navigation icons (back, forward, search) and a page indicator "1/1". Below the title bar, there are two tabs: "Háttér beállítás" and "Keret tartalmának törlése". On the left side, there is a vertical toolbar with icons for drawing, erasing, selecting, text, image, and other tools. The main area contains ten colored squares, each with a word and its part of speech in parentheses:

- articulated (v) - green square
- ambiguous (adj) - light blue square
- generalisation (n) - pink square
- thought-provoking (adj) - yellow square
- evidence (n) - light blue square
- integrate (v) - yellow square
- precise (adj) - pink square
- integrate (v) - green square
- significant (adj) - orange square

Language focus 2

Write the missing words.

1. I feel this has been a really thought-provoking topic.
2. I know___ that's broad, but ...
3. Sorry to butt in, Dao, but I think that's my issue.
4. It seems___ like a generalisation to say that ...
5. I take your_point_, Andrew. But, with respect, I think ...
6. Andrew, I want to ___come_____ back to your point about terminology.
7. Andrew, you said that the term 'millennials' is a generalisation – can you _____expand___ on that?

Language focus 2

Do you remember the phrases for each intention?

- A. The speaker means to interrupt politely.
- B. The speaker wishes to return to an earlier part of the discussion.
- C. The speaker doesn't want the conversation to get sidetracked.
- D. The speaker is expressing their opinion.
- E. The speaker is acknowledging the problems with an argument.
- F. The speaker wants another speaker to clarify their opinion.

- 1. I feel this has been a thought-provoking discussion.
- 2. I know that's been said, but I think that's my point.
- 3. Sorry to butt in, but I think that's my point.
- 4. It seems like a generalisation to say that...
- 5. I take your point, but with respect...
- 6. Andrew, I want to go back to your point about terminology.
- 7. Andrew, you said the term 'millennium' was a generalisation, so I'll expand on that.

Task

Task Preparation

Work with a partner. Choose a statement from the Lead-in to discuss. Decide who agrees or disagrees with the statement and take notes on your arguments.

Statement: _____

Your opinion: _____

Reasons you agree	Counterarguments

Task

- 1. Be ready for a debate with your partner(s).**
- 2. Please try to use the expressions from Language Focus to show your intentions while speaking.**
- 3. Whose arguments were stronger, more persuasive, and why?**

Feedback

- Good use of the language from the pre-lesson activities.
- Good debating skills.
- Good use of polite interruption.
- Just be careful of slipping into Ukrainian syntax.

Review and Feedback

How easy/difficult on a scale from 1-5 (1: easy, 5: difficult) did you find ...

- **debating an issue related to technology?**
- **using vocabulary related to research and discussion on technology?**

Is there anything you would like to practise more?
